Well done Eleanor!

DROP DOWN DAY

At Drop Down Day on Thursday, Year 12 students worked on their UCAS and Apprenticeship applications. There was also external speaker sessions from Clarity One Consulting, the Self-Esteem Team and an employability workshop.

Clarity One UK

Clarity One UK offered students an interactive, lively and educational input to individuals in respect of rape and sexual offences. Their aim is to focus on empowering students with life skills such as assertiveness, self-esteem and confidence along with an awareness of criminal law regarding the named criminal offences. The aim of Clarity One is to guide schools and teachers on sensitive matters and work to ensure young people understand how the law applies to sexual relationships.

Self-Esteem Team

While progress is being made for LGBTQ+ rights, there is so much more work to be done to increase understanding and inclusivity. Simultaneously, this can reduce bullying and feelings of isolation. In this class, students mastered terminology, discovered history, developed language to communicate their relationship with gender, and learned how to create an environment conducive to good mental health for the LGBTQIA+ community.
