NEWS

Sixth Form Open Evening

Thank you to all the volunteers who helped with Open Evening on **Thursday 14th November**. Sixth Form had a lovely atmosphere with lots of prospective students and families buzzing about.

“The Sixth Form team and I thoroughly appreciated everyone's support and time”, said Mrs Neesam. “Parents told us how much they found the Lower Hex Marketplace useful, chatting to students and looking at their work. They said it gave them a really good insight into the culture of our Sixth Form.”

“I was really impressed with all the students who showed so much enthusiasm and knowledge of their subjects.”

NEWS

Positive Points win prizes!

Each week we will be entering Sixth Form students who receive the highest number of positive reward points on Class Charts (approximately five students per year group each week) into an end-of-term prize draw. (Students who achieved this last half term will be entered automatically). You can be entered multiple times to increase your chances of winning various prizes, which will include beauty, petrol and food vouchers.

These students will also be able to collect a 'Skip the queue pass' from Sixth Form reception to use at break or lunch that week.

GIVE SOMETHING BACK

Fan-TASH-tic fundraising

The Sixth Form and staff team have already raised over £700 (as well as lots of awareness) for the Movember men's health charity. The charity has three main strands: testicular cancer, prostate cancer and suicide prevention.

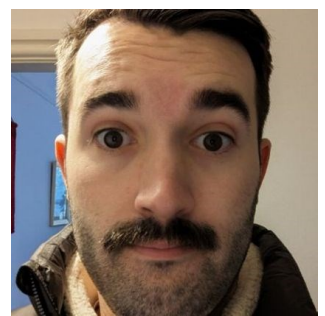

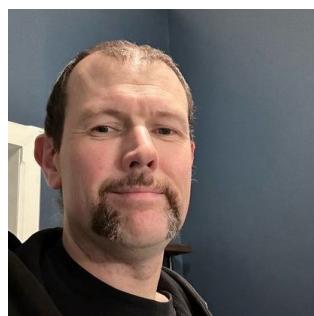

Staff taking part include Mr Hawker-Green, Mr O'Flynn, Mr Johnson, Mr Dobson, Mr Broadhurst, Mr Barrett and Mr Starkey.

Mr Hawker-Green is in the lead with a staggering £250 raised. You can read about his motivation below.

If you'd like to make a donation, please [click here](#). Alternatively, the QR code below will take you direct to the team page.

Sadly, young men attempting suicide is something that has affected my family multiple times. Working in a school, I think it is so important to do whatever I can to prompt discussions around men's mental health. If having a few 14 years old laugh at my face for a month can help even just a little bit, then it's worth it to me!

ROAD
SAFETY
WEEK 

17-23
November
2024

www.brake.org.uk/RoadSafetyWeek

In school this week we are helping our students to engage with the road safety issues that affect them. Unfortunately, more than six children are killed or seriously injured on roads every day in the UK.

During dark, winter nights road incidents involving pedestrians become more prevalent. Please support us in passing on the message at home to use pedestrian crossings wherever possible and make sure students understand the importance of stopping, looking, listening, and thinking before they step out onto the road.

School of Education Experience Day

Friday 13th December, 10–2pm, Queens Park campus, Chester

Bookings close: Friday 6th December

This School of Education Experience Day is aimed at Year 12 and 13 students who are considering a career in education or teaching and are considering their options after college. Throughout the day, students will rotate around four sessions delivered by colleagues from the University of Chester's School of Education and hear about programmes related to Childhood, Education and Professional Development. This opportunity with university tutors will answer any questions that students may have about university life and the career opportunities that these degrees would offer.

There is no cost for attending the day, however attendees are asked to bring their own lunch, and arrange their own transport.

If you would like express interest in attending the day, please complete [this form](#).
