

# THE SIXTH

“ THIS WEEK... ”

REFLECTION AND  
MOVING FORWARDS

19–23rd July 2021  
+ summer holidays

This week we encourage you to reflect on your mock results received on Friday. Parents will receive these via SchoolComms on Monday 19th July. Were you pleased with your performance? Is there anything you need to do differently next year, and indeed, over the summer, to achieve your full potential? You must use the summer to recharge your batteries ready for the next academic year, but we do recommend that you try to complete some work, 1–2 hours a day, to keep you in good habits.

## Summer self care

Being out of the routine of attending school each day can affect us all differently. If you need any support with your mental health over the summer, use the following resource ([Emotional Well-being Support Guide](#)) to help signpost you to activities and support services. Remember our [Wellbeing hub on Teams](#) too.

## Start of the year

- Year 12 students will begin Sixth Form on Monday 6th September.
- Year 13 students will return to Sixth Form on Tuesday 7th September

As we are required to conduct lateral flow tests in school on your return, we will be in touch to confirm the arrangements for this.

Please [click here](#) to see your assessment calendar for the new year.

## Uniform

Please ensure that you return to Sixth Form in September with the correct uniform. Students choosing to wear skirts are reminded that these must NOT be made of Lycra / jersey fabric or other stretchy material and should be an appropriate length. A letter will be sent home to include examples of appropriate skirts.

When purchasing school shoes, please make sure these are not trainers or boots of any kind.

# WHATS ON THIS WEEK

**LHS FASHION SHOW**

Wednesday 21st July 2021  
Lymm High School Main Hall  
6pm-8pm

Please email [ksimms@lymmhigh.org.uk](mailto:ksimms@lymmhigh.org.uk) if you wish to attend.

FIND OUT MORE VIA [KSIMMS@LYMMHIGH.ORG.UK](http://ksimms@lymmhigh.org.uk)

## CALENDAR

19–23rd July 2021

DAY	YEAR 12	OTHER EVENTS
MONDAY	Life Programme on self-esteem	
TUESDAY		Sports Day
WEDNESDAY	No form time	Founders Day 6–8pm Fashion Show
THURSDAY		
FRIDAY	Form time picnic	12.10pm break up for Summer!

# NEWS

19–23rd July 2021  
+ summer holidays

## Sports Day

**Tuesday 20<sup>th</sup> July is Sports Day!** Lessons will run as normal periods 1–3 so you are still expected to attend.

From period 4 onwards, you are invited to watch the events on the field.

## Founders' Day

**Wednesday 21<sup>st</sup> July** is Founders' Day. A huge thank you to everyone who has volunteered to help. For those of you not yet signed up to help, we will run UCAS support sessions periods 1–4 in the upper hex. Dr Dodds will meet with all Gateway students during this time too. All students are to report to the lower hex first thing in the morning to be registered. You are welcome to attend in your own clothes for the day.

## Friday 23<sup>rd</sup> July

Break up for Summer!! At 12.10pm we break up for the summer holidays. The programme of the day is as follows

Period 1&2: Normal Lessons

10.05–10.40: Brunch

10.40–11.20: Normal period 3 lesson

11.20–12.10: Form Time

## Music exams

On **Monday 19<sup>th</sup>** and **Tuesday 20<sup>th</sup> July** there will be music exams in the study rooms in N block. Please use the upper hex instead.

# EXTRA-CURRICULAR FOCUS

## Debating Club: Debate Mate

We would like to offer Sixth Form students the opportunity to work with Debate Mate, an organisation which offers training in debating skills. Students, in groups of 10–12, will take part in 10 one-hour workshops. They will work with a university student mentor on how to debate key topics and issues. The Debating Club will likely take place after school over Zoom (due to Covid restrictions) and will include sessions on:

- Introduction to making arguments
- Speaking stylistically
- Structuring arguments
- Responding to arguments and quick-thinking
- Roles in a debate, the format, and judging

If it is possible to run these in person we will.

These sessions would benefit the speaking skills of all students.

They would be particularly valuable for those interested in subjects where multiple 'arguments' need to be communicated coherently and confidently in written and/or oral form. As such the sessions will help students studying Humanities, Social Sciences, Business and Politics Studies and English amongst many others.

It is also an important skill for any student hoping to gain leadership positions in companies and organisations.

There will be the opportunity for students to take part in a nationwide debating competition in British Parliamentary style in February/March against other schools (at an additional cost). There will not be a cost for the in-house school sessions.

To sign up, [click here](#) or email your interest to Miss Dixon ([jdixon@lymmhigh.org.uk](mailto:jdixon@lymmhigh.org.uk)).

## BIRTHDAYS

Monks, S	Thomason, E	Goksu, E
Plant, Eva	Arnold, G	Greaves, A

## Virtual Work Experience

As social distancing seems set to remain for the foreseeable future, more and more firms are beginning to provide virtual work experience opportunities to students and young people. Placements are available across several sectors including accountancy, law, marketing and the veterinary sciences. For details of companies and businesses currently offering virtual work experience, please [click here](#) to see the list we included in the last two newsletters.

## Wednesday 30<sup>th</sup> June

[Middlesex University](#) – Get into Uni week at MDX: Student Panel: Apprenticeships vs Degrees, 4–5pm

## Highlights this week: STEP Support Programme

[STEP](#) is an additional mathematics exam, taken at the end of Year 13, which forms part of conditional offers to applicants for mathematics and related degrees at Cambridge and some other universities.

STEP is designed to test candidates on questions that are similar in style to undergraduate mathematics. Although demanding, preparing for STEP gives you a chance to engage with interesting, challenging mathematics, to stretch yourself and to develop the mathematical reasoning, independence and confidence needed in an undergraduate mathematics degree.

The earlier you start looking at them and preparing the better!

For more information on STEP, please [click here](#).

### Saturday 17<sup>th</sup> July

[University of Roehampton](#) – Covid-secure campus tour, 11–12 noon, 12.30–1.30pm, 1.30–2.30pm, 2.30–3.30pm
