On Thursday, students will receive their mock exam results. When you get your results, please reflect on your performance and discuss with your teachers and parents. Your emerging grade is a good indicator of your likely UCAS predicted grade. Please use these for now, until predicted grades are confirmed in the summer.

Mr Hayes has now shortlisted those students for interview. Please check your emails regularly for an invitation to interview!

Career in Administration opportunity

*40 hours per week, Monday–Friday flexible between 8am and 6pm,
£24,000 starting salary, 25 days holiday plus bank holidays*

This is an opportunity for a Year 13 leaver who is interested in developing a career in administration. Face & Eye has employed several former Lymm High students in the past and is now looking for someone else to join the rapidly growing company.

The ideal candidate would be a bright student who is meticulous, enthusiastic and quick to learn, but who does not want to go down the university route.

Face & Eye has been established for 17 years. It is a fast-expanding day-case ophthalmic surgical facility based in South Manchester (15-minute drive from Lymm), offering private treatment for all ophthalmic needs. The administrator would join its friendly, busy team as Outpatient Coordinator, supporting the Clinic Administration Manager in the smooth running of the clinic.

The successful applicant would need to speak to patients daily, offer patient confidentiality and understand the need to be professional. Full training will be provided.

Interested applicants should send in a CV with a covering letter to Judith Fox on judithfox@faceandeye.co.uk

The closing date for applications is **Monday 8th July**.
