## Geography Trip

Year 12 students enjoyed a trip to Liverpool last week to take part in Human Geography coursework. They surveyed parts of Smithdown Road, Liverpool One and the Albert Docks, looking for changes to urban areas across space.

Students took part in quality of life studies, environmental quality surveys and asked local people questionnaires to consider the impact of regeneration on an area.

Students are encouraged to begin to think about what project they might like to tackle for their own independent Geography coursework.
