

THE SIXTH

4–8 December 2023

“ THIS WEEK... ”

ORGANISATION

File checks will be conducted by subject staff this week to check on your general organisation. Students were given a file check sheet last week. Please ensure you bring this with you for your subject teachers to sign. Your form tutor will collect these in on **Monday 11th December**.

FINAL UCAS PUSH

UCAS offers and invitations to interview are starting to come in for those who have already sent off their applications. These need to be in ASAP to ensure we can process them before the January deadline as school needs time to check these carefully. If you wish for UCAS to have received your application before the Christmas break it needs to have been sent to school by **Friday 8th December**.

EPQ

Please check your emails as Mr Mullin will be meeting with you to discuss your final project before the Christmas break.

LIFE PROGRAMME

Life Programme takes place on **Tuesday 5th December**. Year 12 will work on finance and budgeting, whilst Year 13 will discuss why it is important to keep educating ourselves about LGBTQ+ issues.

GCSE CERTIFICATES

For students who completed their GCSE exams with us last year, we now have your certificates in school for you to collect. New-to-school students should contact their previous school to arrange collection (see p.5).

CHRISTMAS DINNER

Last call for students to order and pay for their Christmas dinner (see p.3).

EXAMS

GCSE Certificate Collection

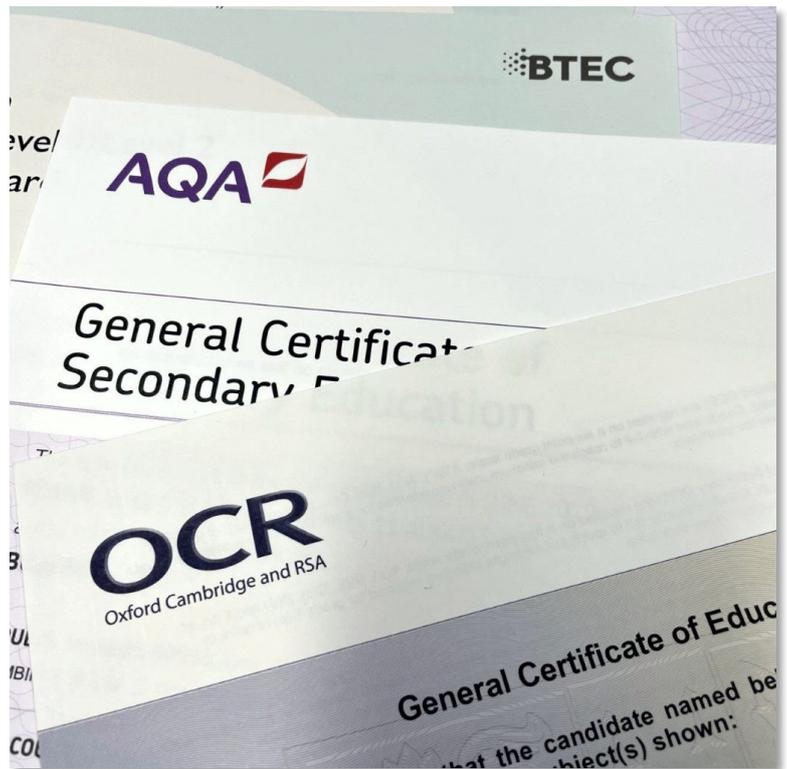

For students who completed their GCSE exams with Lymm High School last year, we now have your certificates in school for you to collect.

New-to-school students should contact their previous school to arrange collection.

Students are to come to Sixth Form student Services at break time as follows:

- **Monday** – Moreton
- **Tuesday** – Walton
- **Wednesday** – Arley
- **Thursday** – Tatton
- **Friday** – Dunham

Certificates must be kept safe. Once school have issued these, replacements can only be ordered directly from the exam boards and there is a cost for doing so.

Exam Mindset Group

Our Exam Mindset group meets every Wednesday at 1.30pm in N106. Pick up tips on how to approach exams, deal with exam stress and come up with some strategies to make exams an enjoyable experience.

SPORTS

UPDATE

HOCKEY

The 1st XI hockey team played away at The King's School, Chester, on **Wednesday 29th November**.

"We literally had 11 today and those new to hockey are really improving", said Mr Maguire. "Such lovely lads, very proud of them!"

The score was King's 3, Lymm 0.

NETBALL

Vs Loreto—sadly we lost but it was a great game!

Vs Sandbach draw 21/21.

FOOTBALL

Boys 1st XI beat Sale Grammar 4–2 last Wednesday!

CONGRATULATIONS

En garde!

Congratulations to Year 13 Remi Tavernier who recently competed in the Fencing Junior World Cup. The competition was held in Tbilisi, Georgia, on **Saturday 18th November**. Remi was selected as part of the U20 Team GB sent to the first event of the World cup series of the season.

He had very close fights in the preliminary poules and successfully managed to make the cut to the direct elimination part of the competition. After a good first round, where he beat the fencer ranking 25th in the world, he met the 3rd seed and gave him (and his coach) a fantastic challenge, being only two hits from knocking him out.

Since being back and resuming training and school work, Remi has found out he is also selected for the next World cup event, which will take place in Athens on **16th/17th December**. A fantastic achievement. Well done Remi!

ENRICHMENT

Makaton

Three further Makaton courses will run on **29th November**, **6th December** and **20th December** from 1.30–2.30pm in N206.

Students are learning about this unique non-verbal language programme that uses symbols, signs and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall, and organisation of language and expression. Using signs can help people who have no speech or whose speech is unclear. Using symbols can help people who have limited speech and those who cannot, or prefer not to sign.

Makaton will suit any student interested in being an inclusive school community including those who want to work in caring and education professions in the future.

Year 12 UCL Masterclasses

Tuesday and Thursday (4–5pm), January to April (online)

Applications are now open for Masterclasses on a range of online, subject-specific, hour-long sessions. These are the perfect way to bolster a student's Year 12 studies, providing an introduction to university-level subjects available to study at UCL. Each will feature a lecture from an expert UCL academic or PhD student depending on the topic. The sessions are interactive, and we encourage pupils to engage with the presenters, as there is an opportunity at the end to ask questions about the topic presented.

- **History of Art: Is it All Old Masters?**
Thursday 18th January 2024
- **An Introduction to Sustainable Built Environments**
