Hospitable Harrogate

On **Friday 28th April**, Year 12 and 13 Hospitality and Catering students took off to Harrogate in Yorkshire to immerse themselves in the world of food outside of the school environment.

Students and staff were lucky enough to experience a silver service dining experience in Betty's Tea Rooms, sampling the range of tasty treats on offer.

The trip linked directly to the students' BTEC Hospitality course, and the skills they need in order to pass the practical European and Contemporary modules.

It is vital that students experience the latest methods and fashions in the food industry, the different types of service, as well as understanding the various job roles within the industry.
