

## HEADTEACHER'S WEEKLY BULLETIN

Dear parents and carers,

We have an exciting week ahead, with our first Year 7 Ty'n-Y-Felin Induction departing on Wednesday. Students in Dunham Hall will be the first group to visit our lovely residential centre on Anglesey.

You should have already had a letter that was sent home on 15th September, via Show My Homework, regarding homework. It contains information about our expectations and frequency of homework for your child as they enter a new year. Please support the staff in maintaining these high expectations by taking a few minutes to read the letter. [Click here](#) to read.

### SPORTS FUNDRAISING DINNER

I would like to remind you of our upcoming sports fundraising dinner on Friday 4th November 2016. The purpose is to raise money to improve the sporting facilities at school (specifically for the refurbishment of the PE changing rooms). It will be a great evening and would be wonderful to have as many parents and members of the local community as possible supporting this event and celebrating the sporting talent we have here at LHS. Please do sign up to buy a ticket. [Click here](#) to see the flyer for more information.

### FOOD COLLECTION INITIATIVE

As part of our ethos programme for KS3 and KS4, we have launched a food collection initiative. Students have been challenged to bring in an item of non-perishable food, such as a jar or tin. This will then be donated to the Warrington Food Bank, part of the Trussell Trust. We have challenged students to bring in at least 500g of food and between us all, we could raise in excess of 1 tonne of food. The planned collection is scheduled for week commencing 17th October, so please check the website for more information nearer the time.

### INTERNATIONAL VISITORS

St Brendan's College from Argentina are currently on a 3-week tour of the UK and Ireland and last week visited us. We hosted 55 students and our Year 11, 12 and 13 students were amazing. They had a wonderful experience of hosting and playing the hockey and rugby matches. We hope that the experience of hosting has given more confidence to those going on the South Africa Sports Tour next summer. Many thanks to Mr Pickles and the other PE staff for organising.

### SCHOOL GATEWAY APP

We have now launched our 'School Gateway App' for parents. Once downloaded, this will allow you to view important information, including information on rewards and sanctions, timetables and reports. It may also make it easier for you to access messages from school. As you know, we are trying hard to improve communication with parents and we hope the launch of this app helps.

For details of how to download and use the app, please [click here](#).

### ROALD DAHL DAY

Students and staff came together for the 100th Birthday of Roald Dahl in the ILC on Tuesday 13 September. Quizzes, competitions and cakes all added to the celebration of Britain's favourite children's author.

Tilly-Ann (9WL) correctly guessed the number of Willy Wonka's sweets in the jar to win them, and the bring-and-buy cake sale raised an excellent £91 for 'Roald Dahl's Marvellous Children's Charity' (<http://www.roalddahl.com/charity/about-the-charity>).

Thank you to all those involved.
