Reports

Chair's Report (HJ):

All quiet at the moment, no issues with any of the Facebook groups. Received £100 from Emma Makes (high school student donating a percentage of money earned from sewing projects to PTA). In total PTA has made £1397 this year including £234 from Easyfundraising and £98 from My donate/Sumup. Takes total held in bank by PTA to just under £13,000. PTA have applied for funding from Coop for next year (thanks to Natalie McGillivray for writing the application), we will hear about this in October.

Head Teacher's Report (RJ for GW):

At the time of the meeting there were no big problems. A few students had struggled with lockdown but in the main the children were doing well. There has been an increase in extracurricular activities and clubs and it has been good to see the students having fun and playing sport. There had been one Covid case in half term in year 11 and a couple of cases in the last week. The hope and intention is to keep opening things up for the students, Covid-permitting. Exams currently underway for key stage 3 and year 10 and 12 mock exams.

Fundraising

NM has put together a new tri-fold leaflet to advertise the PTA and have available at events such as transition evening.
